-

The bidder shall likewise be responsible for informing itself of any and all documents and conditions regarding the subject property which may, in any manner, affect its bid or the nature of its proposal. Failure of the bidder to examine and inform itself shall be at its sole risk and no relief for error or omission arising from any such failure by the bidder shall be demandable from, or given by, the PCGG. -

10. SELECTION CRITERIA

- 10.1 The highest acceptable bidder shall be determined on the basis of the bid price and the bidder's compliance with the Guidelines.
- 10.2 The highest acceptable bidder shall be awarded the sale after the approval by the PCGG and the PrC. In case of a tie among bidders, and said bidders are substantially equal in respect of all other criteria, such highest bidders shall, in order to break the tie, submit new sealed bids within a reasonable time as may be determined by the Special Bids and Awards Committee (SBAC). The new bid price, however, shall not be lower than the bid price previously submitted. If any bidder involved in the tie fails to submit a new bid, its original bid shall be deemed re-submitted. The bidder who submits the highest bid price shall be declared the highest bidder and its bid shall be endorsed by the PCGG to the PrC for final confirmation and approval.
- 10.3 There shall be a failed bidding under any of the following circumstances:
- a) All the bids are lower than the floor price;
 - b) There is only one bidder;
 - c) There is no qualified bidder; or
 - d) Unjustifiable refusal or failure of the winning bidder to accept the award, subject to Section 10.4 hereof.

However, in case under (b) above, the received sealed offer or tender shall be processed in accordance with Sec. 10.5 hereof;

- 10.4 In the event that the highest acceptable bidder defaults or forfeits his Bid Bond pursuant to Section 4.5 hereof, or is disqualified for valid reasons, the PCGG may, at its sole discretion, consider the second highest acceptable bidder as the highest acceptable bidder if the bid is higher than or equal to the floor price, and require such bidder to re-post its Bid Bond.
-

10.5 In case of only one (1) bidder, the SBAC, after declaring a failure of public bidding, shall request the lone bidder if it is willing to tender its bid as its Offer to Purchase. Should the lone bidder agree, the bid shall be opened and now be the outstanding Offer to Purchase, provided it is not lower than the Base Price.

10.6 PCGG reserves the right to disqualify any and all bids, declare a failure of bidding, or not award the contract in the following instances:

10.6.1 The bid does not comply with the requirements of the Guidelines (as well as any amendments or additions to the Guidelines issued by the PCGG) and of the Bid Letter.

10.6.2 There is a prima facie evidence of collusion between appropriate public officers or employees of the PCGG, or between the SBAC and any of the bidders, or if the collusion is between among the bidders themselves, or between a bidder and a third party, including any act which restricts, suppresses or nullifies or tends to restrict, suppress or nullify competition.

10.6.3 If the SBAC is found to have failed in following the prescribed bidding procedures; or

10.6.4 For any justifiable and reasonable ground where the award of the contract will not redound to the benefit of the PCGG, as follows: (i) if the physical and economic conditions have significantly changed so as to render the disposal no longer, economically, financially, or technically feasible as determined by the head of PCGG; (ii) if the disposal is no longer necessary as determined by the head of PCGG.

Further, the PCGG may, at any time prior to the issuance of the Notice of Award, require any additional information and/or documents from any bidder.

- 10.7 PCGG reserves the right to amend the Guidelines prior to the submission of bids. All registered prospective bidders shall be notified of any amendments/supplements to the Guidelines.

11. TAXES AND FEES

- 11.1 The Capital Gains Tax and Value Added Tax shall be paid by the national government/PCGG, if applicable.
- 11.2 The following costs/fees shall be paid by the winning bidder:
- (a) Transfer costs;
 - (b) Registration fees;
 - (c) Documentary stamps;
 - (d) Notarial fees; and
 - (e) Other costs/fees arising from or related to the sale of the subject property and the transfer of title in the name of the winning bidder.
- 11.2 Whatever real property taxes that may have accrued prior to the execution of the Deed of Sale, if and when applicable, shall be for the account of the national government/PCGG.

12. AWARD AND EXECUTION OF CONTRACT

- 12.1 After final approval of the PrC is obtained, the PCGG shall issue a Notice of Award to the winning bidder.
- 12.2 The winning bidder shall be given thirty (30) calendar days from the date of its receipt of the Notice of Award to tender full payment of the purchase price in manager's or cashier's check payable to PCGG.
- 12.3 The PCGG shall execute the Deed of Sale upon receipt of full payment.

Should the winning bidder fail to complete payment of the purchase price within the prescribed period, the award shall be automatically cancelled and the Bid Bond forfeited in favor of PCGG.

No take-up value was given to all the structures built on the lot and the land was appraised as if vacant.
4. A relocation survey is highly recommended to further verify if the fronting Rodriguez Avenue forms part of the subject property. Likewise, to determine the exact numbers of informal settlers occupying to the subject property.

Community Facilities and Utilities

Electric power, water supply, cable tv and telecommunication facilities are available at the site.

Public transportation is available along Leuterio Street and connects to other sections of the municipalities. Streetlights, garbage collection, foot and mobile patrols of the Philippine National Police and other community facilities and utilities are maintained by the municipal government.

Highest and Best Use

Based upon an analysis of the property itself and the prevailing land usage in the neighborhood, we are of the opinion that a **commercial development** would represent the highest and best use of the property.

Highest and Best Use is defined as the most profitable likely use of the property. This opinion may be based on the highest and most profitable continuous use to which the property is adapted and needed, or that use of land which may reasonably be expected to produce the greatest net return to land over a given period of time.

5. We represent and warrant that: (a) we have examined and understood the said GUIDELINES issued by PCGG; (b) we accept the conditions of the bidding set out therein, including PCGG's right to reject any and all bids without thereby creating any liability in our favor; and (c) we hereby unconditionally, irrevocably and absolutely waive all claims against the PCGG Chairperson or any of the Commissioners, Directors, officers or employees and other representatives or agents, which may arise out of, or in connection with, the making and/or non-acceptance of our bid.
6. By submitting our bid, we unconditionally, irrevocably and absolutely: (a) agree that our Bid Bond may be forfeited in favor of the PCGG in case of any occurrence of the forfeiture events outlined in the GUIDELINES; (b) acknowledge that the Seller's remedies are cumulative and that the forfeiture of our Bid Bond will not preclude Seller from pursuing any, some or all of its legal, contractual, or other remedies; and (c) accept the limitations of warranties and liabilities contained in the GUIDELINES and hereby waive and recognize that we shall, as a result thereof, not have any claims for any damages or other reliefs except for the reimbursement to us of our Bid Bond.
7. We shall also, by submitting our bid, be conclusively deemed to have waived any right we may have to seek and obtain a writ of injunction or of prohibition or a restraining order or any other form of coercive, judicial, administrative or other relief against the PCGG Chairperson or any of the Commissioners, Directors, officers, employees and representatives, to prevent, restrain or in any manner forestall, hinder or render inconvenient the holding of the bidding or a re-bidding, including without limitation, the negotiation and award of the sale to the winning bidder.
